

*The Calumet City Historical Society  
presents:*

# *Life an experience through TIME*

*By Bob Kelsey*

Bob's presentation will include a mention of Albert Einstein and how he is relevant to his life. We'll go back in time with Edwin Hubble, James Webb, and Industrial Engineering Systems of 1948. Lastly, the topic of discussion will be YOU, memories of the past, with entire audience participation. **Bob Kelsey** grew up in Calumet City, attended Lincoln Elementary School, and was in the school band (First Chair Trumpet), Cub Scouts, and Boy Scouts sponsored by the American Legion Post 330, troop 57. He moved to Dyer in his teenage years. Bob taught and coached at Lake Central High School, Vocational and Industrial Arts, an undergraduate degree from Indiana State University, and a graduate degree at Purdue/Indiana State University. Bob founded the Kelsington group of 25 global companies, and past officer of numerous civic organizations, and is the current president of the Dyer Historical Society.
